

We are very excited to introduce a few new items to our menu for 2018. Be sure to try our new rainbow salad roll, the diced chicken wrap or baguette and the new chicken schnitty burger which has replaced our chicken burger.

Don't forget about our **gluten free** options that are also available.

Be sure to encourage your kids to give these new yummy items a try, and support the Lunchbox Cafe's efforts to provide healthy food options for our children.

How to order:

- Write child's name and class onto a paper bag or on the reusable bags available from the uniform shop, along with your child's order. (If you do not have a paper bag or reusable bag please enclose 50c for the cost of a bag). All lunch orders are taken to the children's classrooms.

- **RECESS ORDERS:** Must be clearly marked on the bag. Children come to the canteen to collect these.

Please place lunch and recess orders into the Lunchbox Cafe box, located in the school office – by 9.10am.

Reusable insulated lunch bags are available for \$10, these can be ordered through the canteen, just enclose money with your child's lunch order and it will be sent home with your child.
