FROM THE PRINCIPAL'S DESK

Parent Teacher Interviews

In Week 10 of this term, parents will have the opportunity to schedule an interview time with their child's class teacher. We see parents as partners in education and value this opportunity to build these connections whilst providing information to parents about their child's learning progress and discussing ways to work together to support further learning. Interviews can be booked through an online system:

www.schoolinterviews.com.au from Tuesday 13th March. The password is ykfx. The days and location of the interviews is as follows:

Class	Date	Location
KM	Thurs 5 th April	LAST Room
K/1B	Fri 6 th April	LAST Room
1H	Tues 3 rd April	Mrs Highland's office
1/2T	Tues 3 rd April	Library office
2S	Thurs 5 th April	2S classroom
3L	Wed 4 th April	3L classroom
3/4V	Thurs 5 th April	Library office
4/5N	Fri 6 th April	4/5N classroom
5M	Fri 6 th April	staffhouse
6L	Wed 4 th April	staffhouse

We understand how busy family life is so if the allocated day isn't suitable, talk to your child's class teacher about organising another day/time. Meetings are being organised for parents of students in K/6A, K/6T and K/6C during Week 7.

Clean Up CEPS Day

Last Friday we held our own version of Clean Up Australia Day in our school grounds. After a safety briefing and putting on our gloves, we all ventured

out into the playground to clean up our school. This is an important activity for the students to participate in to develop school pride and environmental awareness. It aligns with our school values of respect, care and responsibility. Thank you Mrs Burgess for coordinating this event.

Vegetable Week

Last week we celebrated Vegetable Week by participating in the Big Vegie Crunch. On Thursday we encouraged the students to bring a vegetable item to school for Crunch and Sip break instead of fruit. This is a Hunter New England Health Initiative to improve the percentage of Australian children who eat enough vegetables, which is currently only 5.4%! A big thank you to Woolworths Charlestown who donated some yummy vegetable trays which were used in the canteen to make some delicious free treats and to use as share plates in classrooms. Thank you to Mrs Bell for promoting this initiative and to Mrs Finch in the canteen for her creative and fun approach to food!

National Day of Action Against Bullying/Harmony Day

At CEPS we value the safety and care of our students. Through our Tree of Values Program the students are explicitly taught about our school values and the expectations for behaviour in all school settings. The students are taught strategies to deal with incidents should they arise. One of the key focus areas is bullying. All classes will be working through a series of activities during the next few weeks and we will be formally celebrating these two events in one day on Wednesday 21st March. Details are included later in the newsletter. The Department of Education has released a new website that provides information for parents, students and educators. Take some time to familiarise yourself with the information on this site so that we are all informed and can work together to keep our children happy and safe.

Student Activities and Achievements

Best of luck to the boys cricket team who will play against Redhead PS in the first round of the state knockout competition. The girls team will play their first game next week. All the best to both teams. We know they will do CEPS proud!

We had a number of students who represented our school at the zone carnival on the 22nd and 23rd February who all participated well and also had fun! Congratulations to Gemma Kerney and Arabella Weir who will progress to the Hunter Region swimming carnival in Maitland later this term.

Have a great week everyone!

TREE OF VALUES

This fortnight we have highlighted our school value **Fairness.**

Fairness means being committed to the principles of social justice and opposing prejudice, dishonesty and injustice.

We have looked in detail at 'playing fair' and being able to both 'win and lose' as two behaviours that will demonstrate a value of fairness.

When children are involved in an environment where fair play is emphasised, they experience how important it is to treat others fairly. Teamwork, taking turns, and sharing all reinforce social skills that help children interact successfully at home, school, and playtime.

At school, we aim to help children identify the realistic expectations of competitive play. For some children, this issue needs to be discussed frequently. It is important to talk about the fact that playing fair, and sharing does not always lead to winning; a reality of competition.

We are *extending the branches* of our tree to celebrate two special days in the near future.

Friday 16th March 2018, is a day for Australian school and communities to unite for the eighth **National Day of Action against Bullying and Violence (NDA)**. The National Day of Action is Australia's key anti-bullying event for schools and in 2018, we will be asking our students to imagine a world free from bullying and share their **BIG IDEAS** during activities planned for our DTT day the following Wednesday.

On **Wednesday 21st March 2018** we will celebrate **Harmony Day** with a **DTT Day**. CEPS had their first **Doing Things Together Day** in 2006 and the children and teachers still look forward to them! Students come together in multi-age learning groups and embark on a cooperative learning adventure full of engaging and wonderful activities

within every classroom of the school. **Activities on the day will explore and encompass:**

- cooperative learning (cooperation on our *Tree of Values*)
- Harmony Day (everybody belongs)
- Anti-Bullying (for the National Day of Action Against Bullying)

This very special and exciting event is organised within our regular school program and students require no special materials or permission, **however we would love students to dress in mufti (appropriate play clothes for school)** - orange if possible as this is the official Harmony Day colour. We are asking for a **gold coin donation** on this day to contribute to our ongoing support of the *Stewart House program*.

We hope that you can support our *Values Education* program at home by talking to your children at home about the importance of fairness and encouraging a positive attitude towards our upcoming planned events.

CEPS CHESS CLUB

Each Monday at lunch children from grades 3 to 6 are invited to play chess in the 3L classroom.

Term 1 is a very 'open door' casual program where students can come and have a friendly game with another chess enthusiast. We very much welcome beginners and there is always someone keen to share their talents and guide new players through a game.

In Term 2 we will set up an in-school competition for students ready to commit to regular Monday lunch attendance.

Please be aware of these upcoming events organised by **Newcastle Junior Chess** (part of the Newcastle PCYC) if you are keen for some more opportunities to play chess.

FRIDAY EVENING CHESS CLUB

Newcastle PCYC - Cnr Young Rd and Melbourne Rd, Broadmeadow.

6 - 9.00pm on normal school term Fridays only.

Friendly games, analysis of games to improve your chess, tips on strategies, fun 'lightening chess', dice chess etc

All players welcome.

ONE DAY JUNIOR INDIVIDUAL CHESS TOURNAMENT

Sunday 25th March 2018

Newcastle PCYC - Cnr Young Rd and Melbourne Rd, Broadmeadow

For each new round your opponent is a new player on a similar score to you – no one gets 'knocked out'.

Entries accepted on the day, but it helps organisers if you could give advanced notice to:

david.absalom92@gmail.com

PCYC members: \$5, Non-members \$8

Registration is from 9.30am. Play is from 10 to 3pm

SCHOOLS CLEAN UP AUSTRALIA DAY

On Friday the students of CEPS did their bit for the environment by participating in the annual Clean Up Australia Day.

We collected a lot of rubbish that unfortunately cannot be recycled but thankfully will now not end up in our beautiful waterways. It is a timely reminder for everyone to think about how we purchase and package our food – the less plastic the better!

Thank you to Paul Sutherland for the generous donation of several sets of brand new gloves to help the cause.

Together we can make a difference!

Tania Burgess and Libby Bailey

Book Club

I would appreciate clean empty shopping bags that could be used to send home the books purchased through book club in future orders. If you have some spare, please send them into school with your child who can bring them to my classroom.

Maryanne Harris

We are already half way through the term, it has been extremely busy in our schools Lunchbox Cafe. We have some exciting things happening this month. We have Harmony Day and our very first meal deal for the year. Notes and information about these events will be sent home and on the Skoolbag App.

We had some beautiful fresh vegetable trays delivered to the canteen last Friday, thanks to Mrs Bell and Woolworths, it was part of a state wide initiative to encourage kids to eat more vegetables. Each class received a plate of vegetables to have during crunch and sip, which included beans, carrots, cherry tomatoes, celery, and cucumber. Each class received another plate today, it really is fantastic to see the children enjoying eating the vegetables. It would be fantastic to see the children continue to bring in fresh vegetables to school to eat.

I have a lot of bananas in the canteen at the moment, so this week we are trying banana pops, which will be fresh bananas and vanilla yoghurt blended together and frozen just like our regular yoghurt and juice pops. These will be available at recess and lunch for 20c.

I have started looking at the canteen roster for next term and am in need of more volunteers on Wednesdays and Fridays. Short shifts from 11-2pm are available on both of these days as well as full days if you prefer. Fridays are proving to be extremely busy. Last week we had 86 lunch orders! We really need three people on to help get these orders out. If you are able to help please contact the office or come into the canteen and see me, I am usually there Mondays and Fridays.

We are having a fantastic response to our menu with the children ordering a variety of our healthy options. It is wonderful seeing healthy choices being made.

Leila Finch and the Canteen Committee.

Wonderful 1/2T

1/2T have had a wonderful start to 2018. We really enjoyed the Big Veggie Crunch and learnt all about the importance of eating healthy foods. We invented our own vegetable superheroes and created a character profile for them. After that, we investigated which vegetables we had growing in our own CEPS garden. Then we finished off the morning with some reading in our outdoor classroom. We worked really hard on our Great Barrier Reef artworks which are now hanging proudly in our classroom, come take a peep!

Big Veggie Crunch

Last Thursday at 10am all classes at CEPS joined together to be part of the 'Big Veggie Crunch' with other schools across NSW all munching on vegetables at the same time. Everyone enjoyed this very much! Thank you to Woolworths at Charlestown Square for donating three vegetable boxes so all classes could have a share plate to try. Well done CEPS for supporting this event. Remember to pack some vegies in your lunch box every day.

CEPS Community Gardens

We had a bumper crop of capsicums last week to celebrate vegetable week. Our students have been heavily involved in the monitoring, fertilising and harvesting of the produce and now we even have some keen students running the garden market. So it would be great if you could come and say hi to

our student 'garden marketeers' at the next garden stall.

The garden stall was a sell out at the first mini markets with eggplants, celery, lettuce, spinach, herbs and of course capsicums all going out the door. Thank you for your donations and continuous support of our outdoor space and garden.

Thanks for your support

EDIBLE GARDENS

Vegetable and herb gardens are a fantastic way to get the kids interested in vegetables. And even better, they help you to save money on the groceries. Here are some tips to get you started:

- Choose a sunny spot in your garden close to a water source
- To save time purchase a raised garden bed from your local hardware store or to save money simply build your own with treated pine.
- Do a little bit of research as to what vegetables are in season to get the best results
- To save money on fertilisers you can make your own compost from vegetable scraps in the kitchen
- Get the kids involved and have fun!

Are you thinking about becoming a foster carer?

Hunter Child and Family District Unit

Carer Development team

Ph: 40882001

<http://childstory.net.au/>

<http://www.fosteringnsw.com.au/>

It is said, "It takes a community to raise a child".

Your Community needs you!

Across the Hunter we are recruiting for carers of all ages and backgrounds to meet the needs of our resilient, courageous children and young people up to the age of 18!

We are looking for motivated people to open their hearts and homes to children and young people requiring short-term assistance. Foster carers may be individuals, couples or families who are able to provide care on weekends, for a few days in an emergency, or for a few weeks until a more permanent home is available. All carers receive training, ongoing support and financial assistance. Our Community is in need of passionate caring people especially if you are willing to care for children who are: older than 7, part of a sibling group, have a disability or health needs and/or from an Aboriginal or culturally diverse background.

Singing brings out the best in your child!

The **Australian Youth Choir** benefits boys and girls from 7 years of age upwards to discover their vocal talent, learn to sing, develop their musicianship and performance skills, and make new friends.

Singing in a choir stimulates the mind and imagination, with research showing it has a profound effect on a child's general learning of literacy and numeracy as well as health and wellbeing.

Our programme consists of weekly rehearsals in school term, workshops and 2 concerts a year.
